THEME

In a brief and colorful history, filled with stories that one might expect to find only in fiction, Florida has risen to heights that would make her early settlers proud of their contributions toward her development. Five flags have flown over Florida, each nation contributing its part to her advancement.

In choosing historical figures for the theme the book has been divided into five sections—each nation represented by its flag. The characters were selected because of their bravery, imagination and faith in Florida.

The last mural deals particularly with the growth and development of the college to its present status, with the promise of a great cultural institution in the near future.

LAKELAND, FLORIDA

OFFICE OF
THE PRESIDENT

TO THE STUDENTS OF FLORIDA SOUTHERN COLLEGE

First of all, I want to congratulate the editor and the manager of the Interlachen on the publication of this beautiful and interesting annual. The entire student body and faculty, who have given remarkable cooperation, join me in this felicitation.

This annual is especially dear to those who are graduating. All the days of their lives it will bring back to them sweet memories of campus days--days that will be more meaningful as time goes by. And it will be significant to the Freshmen too, because they will see themselves in this annual, and then three years from now they will see themselves once again as Seniors and will rejoice over the change.

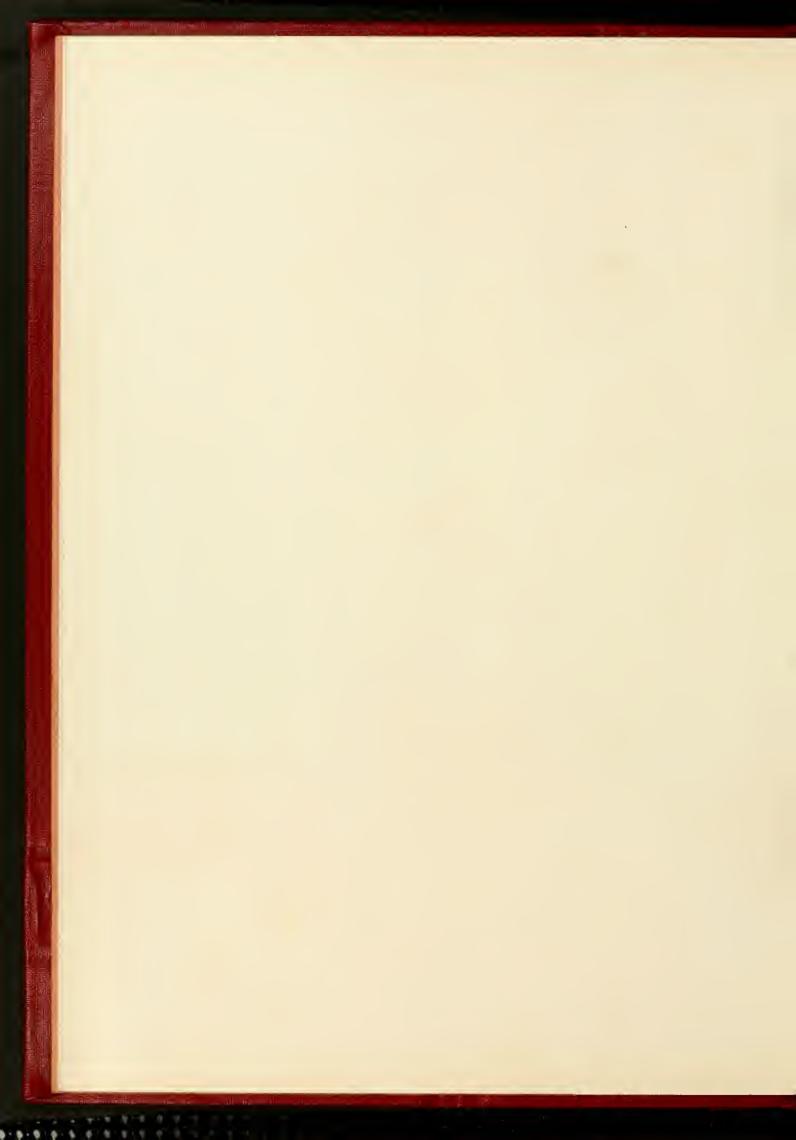

As this annual goes forth into the hands of the students, faculty, and friends, it carries a message of affection, good will, and hope. It tells the story of a group of men and women living cooperatively and successfully--not apart from the world, but in the world.

With every student in this college go my good wishes and an urgent hope that you will find fields of service for yourselves and that through your service our own Florida Southern College will find a larger place in the life of our nation.

REALLY GREATER

Southern is different this year. There is a new spirit about the college. It is obvious to the most casual visitor—that Southern is growing, not only physi-

cally but in every way.

The difference is difficult to define, but as the physical equipment has been expanding, the spirit that is the real Southern has become more expansive, too. Even among the most politically embittered students, petty differences and arguments have been submerged in the flood of enthusiasm and co-operation that have been particularly marked in the last two years.

The co-operative Fraternity Week which is just ending is the latest expression of the increasingly fine spirit of the campus. It is a far-cry from only three years ago when the very mention of co-operative action among the fraternities would have brought howls of deriving at the very laset.

derision at the very least.

Better spirit is evident in intramural sports. Last year when such minor sports matches as horseshoes, ping pong and shutlleboard were completed, the opposing contestants would walk off without a civil word to each other. This year opponents shake hands when their strife is ended, it still hurts just as much to lose, but the feet of the contest of the of the cont but there is more genuine friendliness in the badinage which accompanies the games, and the bitterness of defeat is softened and shortened by the sportsman's handshake.

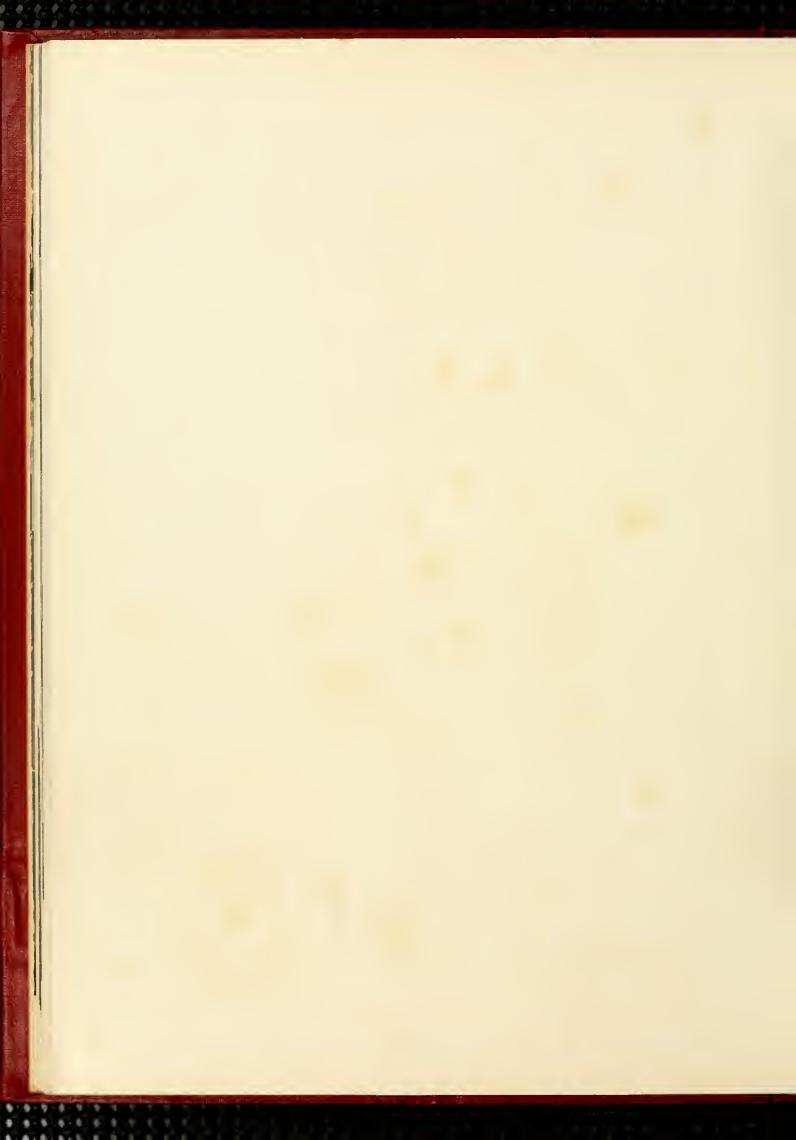

Coach Battle's patience, intelligent direction of the intramurals program and impartial arbitration of fraternity flare-ups are bearing fruit in the friendliness which pervades the sports contests this year. His progress in this line this year speaks volumes for his influ-

ence and popularity.

The introduction of national sororities and the im-The introduction of national sororities and the impending entry of national fraternities has brought a larger viewpoint to the men and women who populate Southern's dormitories. Human nature hasn't changed, of course, but President Spivey's philosophy of doing things for the greatest good of the greatest number has infused the activities of the various campus groups.

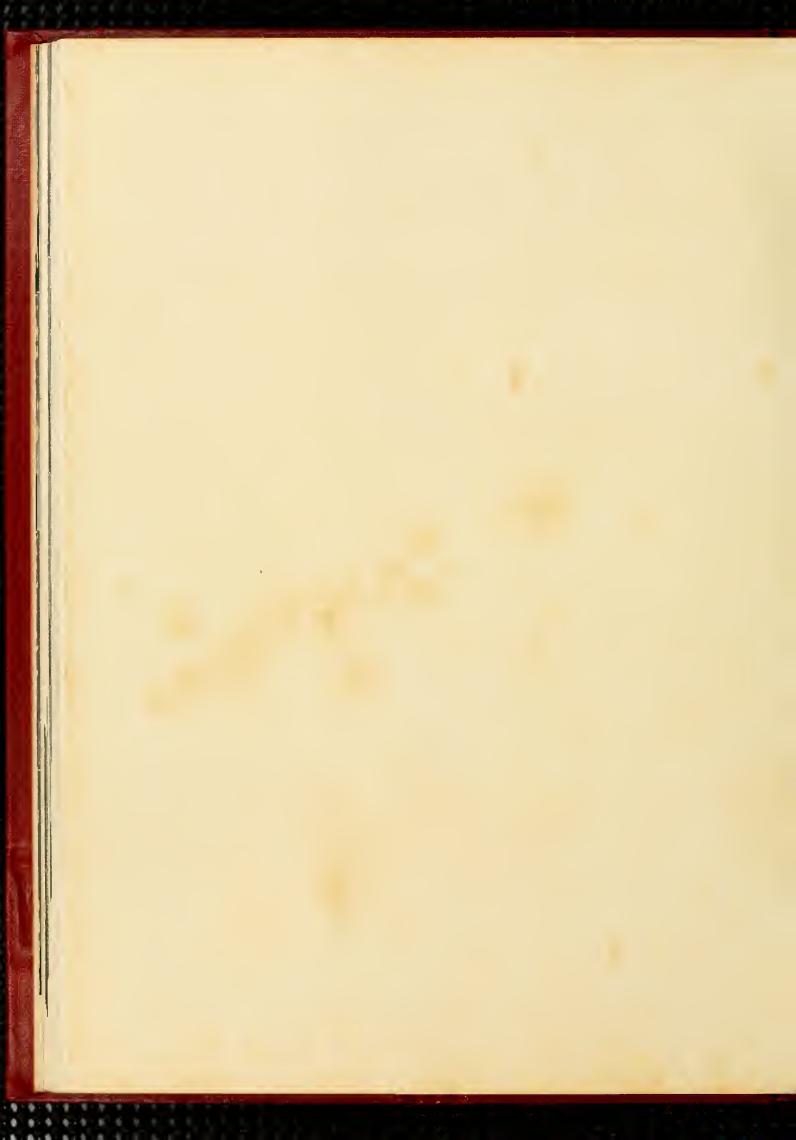

Great as Dr. Spivey's contribution to the physical treat as Dr. Spivey's contribution to the physical upbuilding of Southern has been, it is small compared to the spiritual and psychological benefits that have come as a direct result of enlarging the campus scope. It he had done nothing else to contribute to the life and spirit of the young people of Florida, he would have earned for himself an undying place in the hearts of the people of the state.

EDITOR'S NOTE: The above editorial, written by Loyal Frisbie, was selected as representative of those presented in the 1936-37 Southern.

ATHLETICS

INTRODUCTION

This year marked the second season of intramural sports on Florida Southern's campus, and they again proved themselves worthy as a permanent part of the extra-curricula program. THE RESERVE OF THE PROPERTY OF THE PROPERTY OF THE PARTY OF THE PARTY

The program has been under the supervision of Coach Bill Battle, with Miss Eulalie Ginn as his assistant. Under their careful guidance they have greatly expanded the intramural activities, giving every student an opportunity to participate in his or her most desired sport.

Aside from the social contacts these sports afforded, they have given each student the proper amount of exercise and instilled within them the principles of sportsmanship, play spirit, and allowed them to acquire a complete knowledge of each sport.

Every student participated.

With the exceptions of a few minor changes in the intramural bylaws, the same principles were carried out this year that were put into effect the initial year of the program. Representatives from each organization comprised the administrative board, who conducts the activities of the intramural program.

Suitable trophies and awards were made to those teams and individuals who were winners in the various sports. The awards will become a permanent possession to those winning if they are won again in the next two years. Sports managers each received a letter and a sweater for their efforts. Individual awards are permanently kept.

COACH WILLIAM R. BATTLE Director of Athletics

Coach Bill Battle, a true sportsman, ended his second year as head of the intramural department in a blaze of glory. An opportunity to allow the students to become participators, rather than spectators, was his aim throughout the year. In carrying out his program he always stressed that victory was secondary, and strived to instill in the minds of the students sportsmanship, leadership and reliability. These ideals won for him a place in the heart of every student.

EULALIE GINN Women's Athletic Director

Miss Eulalie Ginn, like Coach Battle, gained for herself a warm spot in the hearts of all the students, especially the women students of the eollege. She has encouraged the same principles that Coach Battle set up, and did a good job in keeping the women students in the spirit of the intramural program. Miss Ginn, who has much experience in directing girls' programs, has added a number of sports to the co-ed's list of activities, the most outstanding being badminton. She deserves a great deal of praise from everyone.

John Spivey Men's Senior Manager

John Spivey, men's senior manager, has done an excellent piece of work as Coach Battle's right hand man in helping him put the intramural program across. John, who is always ready to assist Coach, should be truly appreciated by the student body.

Horace Kelly Publicity Mgr. Interlachen Sports Ed.

MEN'S ADMINISTRATIVE BOARD

A great deal of the success of the intramural program goes to the efforts of Miss Miriam Purcell, the women's senior manager, who assisted Miss Ginn in earrying out her program.

TOUCH FOOTBALL

Touch football, the first sport of the season, was won by Pi Kappa fraternity, with Beta Mu running them a close second. Theta Kappa Psi came in third with Independents and Chi Delta Epsilon in the respective bottom positions.

Beta Mu, who had held the top position from the beginning of the season, was dealt the lethal blow by the Pikes in the last game when they were defeated by a score of 6 to 0.

The season, as a whole, was good with many fast and exciting games, but the last game, which was expected to be the best, was rather slow and punctuated frequently with fumbles by both teams.

Up until the last six minutes of play neither team had made a serious scoring threat. Then Beta Mu intercepted a Pi Kappa pass deep in their own territory, and on the next play they fumbled with the Pikes recovering it behind the Beta's goal, which accounted for their lone tally. Most of the games played by the teams in the lower brackets were all interesting, yet the scores reached above the twenties most of the time.

At the end of the season the fraternities stood in the following order:

	Won	Tied	Lost
Pi Kappa	. 6	2	0
Beta Mu		1	1
Theta Kappa Psi	. 3	0	5
Independent		1	5

SPEEDBALL

The Alpha Chi Omegas, who were undefeated in speedball, won the championship cup in the last game of the season by whipping another undefeated team, the Independents, by a score of 26 to 6.

Speedball, which was introduced for the first time on the campus last year, afforded again the same thrill-packed moments for the spectators that it did in its inaugural presentation.

Delta Zeta and Kappa Gamma Tau tied for second honors in speedbalf, with two wins and a loss each. Chi Sigma occupied the bottom position.

Those who made the first-string all-star team are as follows:

Lorena Long, Alvena Gadau, Sally Osborne, Clio Metcalfe, Lucy Lee Ellis, Rabun Calhoun, Pat Calkins and Una Marie Roper.

Those receiving second-string mention were:

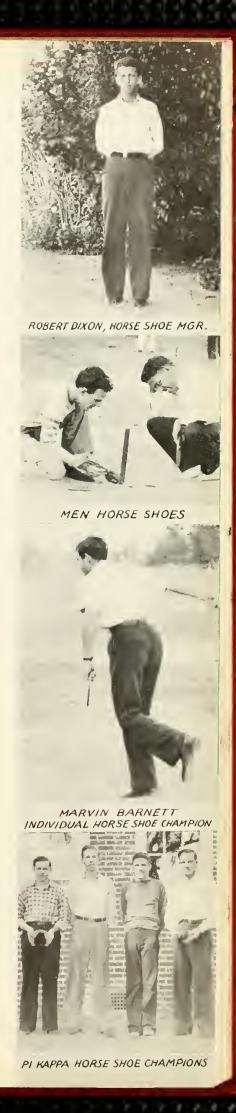

Annette Warner, Betty Howard, Lucy Harrelf, Miriam Purcell, Fannie Louise Lewis, Louise Anderson, Helen Pinch and Marie Lewis.

HORSESHOES

The old "barnyard game" proved to be one of the most thrilling sports on the intramural program for the year. The first half ended with the Theta Kappa Psi hurlers on top with four wins against no defeats. In the final stretch both Beta Mu and Pi Kappa were victorious over the Theta Kappa and the season ended in a three-way tie for first place. In the playoff for the cup Pi Kappas defeated Beta Mus in one of the most exciting contests of the year. Chi Delta Epsilon ended up in fourth position, while the Independent team held down the cellar post.

The standing at the close of the season stood as follows:

	Won	Lost
Theta Kappa Psi	6	2
Beta Mu		2
Pi Kappa	6	$\overline{2}$
Chi Delta Epsilon	2	6
Independents	0	8

The Independent girls slapped their way to victory over the Alpha Chi Omega's in the final game of volley ball play-off, giving them the championship cup. In the first game the Alpha Chi's won by a 15 to 12 margin, but went down under the onslaught of the hard-fighting Independents in the next two games. The scores were 15 to 9 and 15 to 13.

Volley ball, a fast, exciting game which affords the spectators all the action they can stand, is a mixture of a number of other sister sports. Tennis, basket ball, soccer and a little handball can be detected in the game.

The object of the game is to knock the ball back and forth across a suspended net until one team or the other has gained 15 points.

The all-star teams follow:

First Team: Lorena Long, Alvena Gadau, Rabun Calhoun, Edith Whittington, Una Marie Roper, Miriam Purcell, Dorothy Jones, Glenda Leonard.

Second Team: Annette Warner, Clio Metealfe, Margaret Daugherty, Fannie Louise Lewis, Sally Osborne, Margaret Daniel, Jeannette Feaster and Norma Dutton.

MEN'S VOLLEY BALL

Pi Kappa continued to sweep the intramural program by winning the volley ball title they have held since last year. The games were well played and every contest provided thrills and spills. An upset victory by Theta Kappa Psi over Beta Mus clinched the title for Pi Kappas who were not pressed to win. The Beta Mus and Theta Kappa Psi both wound up in a tie for second place, while Chi Delta Epsilon had little trouble in avoiding the cellar post held by Independents.

The final standings were as follows:

NORWEGIAN BASEBALL

Norwegian baseball, a game played according to the rules of softball, was one of the new sports installed this year to round out the co-eds list of activities.

The championship cup was won by the Independent girls. They whipped Alpha Chi Omega squad in the linal game.

This game differs technically from diamond ball due to the fact that they do not use bats to hit the ball. The ball is hit by the batter's hand, and only one strike is allowed to each player. The girls liked the game intensely and according to spectators it was among the most thrilling sports played.

Outstanding players selected for the all-star team were as follows:

First Team: Lorena Long, Alvena Gadau, Sally Osborne, Helen Rackley, Jeanette Feaster, Edith Whittington, and Clio Metcalfe.

Second Team: Elaine Nelson, Lucy Harrell, Betty Harward, Fannie Louise Lewis, Annette Warner, Miriam Purcell, Mabel Joyner, Mellicent Eady and Mac Glaros.

MEN'S FOUL SHOOTING

Foul shooting, a close relative to basket ball, gave the men an opportunity to demonstrate their ability to sink goals after the basket ball season was finished.

An unusual amount of interest was shown in this minor sport with about 60 individual participants and every fraternity competing for the top honors.

Beta Mu fraternity came out victorious by sinking 211 counters out of a possible 300. Pi Kappa came out in second place with the Independents; Chi Delta Epsilon, and Theta Kappa Psi in the respective bottom positions.

The real competition was demonstrated in the individual play-off.

WOMEN'S PING PONG

The close of the ping pong season found the Alpha Chi Omega paddle swingers standing at the top for first honors with five wins and not a single loss. Kappa Gamma Tau second, Independent third, and Delta Zeta fourth.

The contests were also played off during Florida Week. According to reports they had some mighty fast and hot matches in the new gym which brought the many spectators to their feet time after time as the matches proceeded.

As the season closed the standing read:

	Won	Lost
Alpha Chi Omega	5	0
Kappa Gamma Tau	3	2
Independents	2	3
Delta Zeta	0	5

MEN'S PING PONG

Beta Mu team took the ping pong title with eight victories against no defeats. Close behind the victors were Pi Kappas with six wins and two defeats to their credit. Chi Delta Epsilon finished third and Theta Kap and the Independents wound up in the lower bracket. Table tennis is fast becoming a popular sport at Southern and should develop into a major sport within the next few years.

The final standing was as follows at the close of the season:

WOMEN'S SHUFFLEBOARD

An exceedingly larger amount of interest was shown in women's shuffleboard this year which resulted in keener competition, both on the part of sororities and the individual participants.

Alpha Chi Omega emerged victorious amid a hot scramble for the top honors. Alpha Chi was undefeated with Delta Zetas second. Independents and Kappa Gamma Tau occupied the bottom brackets.

Shuffleboard was played during Florida Week, and according to some of the visitors who saw some of the matches, it was one of the most interesting and fascinating events they saw while visiting the campus.

The team standing at the close of the season follows:

	Won	Lost
Alpha Chi Omega	5	0
Delta Zeta	?	2
Independents	2	3
Kappa Gamma Tau		5

MEN'S SHUFFLEBOARD

At the close of the shuffleboard season the standing found both Pi Kappa and Chi Delta Epsilon in a tie for the top positon. Beta Mu and Theta Kappa Psi tied for third place with four wins and the same number of defeats each. In the play-off for the cup the Pi Kappa shufflers took the match with two straight wins. Independents held down the cellar position. The skill with which all teams handled the dises would have made any tourist's heart leap with joy.

WOMEN'S BASKET BALL

Basket hall, another one of the major sports was clinched by the Independent sextet when they defeated the Alpha Chi Omega six in the deciding game. Both the intramural teams and the varsity teams afforded many exciting and thrillpacked games for large crowds of spectators this year.

The varsity squad played a number of games, winning all of them. They displayed excellent team work and co-operation in the games they played. The University of Tampa was one of their victims.

The intramural standing read at the

end of the season as follows:

Kappa Gamma Tau	1	2
Delta Zeta	0	-1

The all-star teams:

First team: Edith Whittington, Lorena Long, Mary Simpson, Sally Osborne, Pat Calkins and Lucy Harrell.

Second team: Clio Metcalfe, Nancy Dutton, Una Marie Roper, Rabun Calhoun, Betty Harward and Marion Surrency.

MEN'S BASKET BALL

The Pi Kappa outfit swept the other fraternities completely off their feet in basket ball by breezing through the season undefeated with eight victories chalked up for them. Beta Mu was the nearest competitor with six games marked up in the winning column.

The basket ball season, as usual, was packed with excitement from beginning to end. Every fraternity seems to take on a scrapping "I've gotta win" attitude and this resulted in being the fastest, most interesting event of the year. Chi Delta Epsilon, Theta Kappa Psi, and Independents ended up in the above order.

The final standing was:

INDIVIDUAL PING PONG CHAMPIONS

Marvin Barnett, for the second consecutive year, took top honors in the individual ping pong tournament. In the finals he again tangled with Fred Jaeger whom he defeated last year. The final match was played as a feature of the Florida Week celebration with Barnett, who has an exceptionally strong drive, taking the match from Jaeger, 3 games to 1.

Lorena Long, freshman paddle swinger, won out in the women's ping pong tournament, wading through all opponents with ease until she reached the finals.

SHADOW DIXON SPEAKS

The second season of intramural sports at Florida Southern got under way with touch football first sport on the card. The greatest upset of the season was the Chi Delta Epsilon victory over a strong Independent team. Orchids to "Art" Ginn who was the driving power in the 7-0 win. Scallions to the members of a certain eleven that, in the yearly classic, walked off the field when they thought the officials had made an unfair decision. This year marked the only time that both teams have scored in a game—the Theta Kappa Psis defeated the Independents by a score of 26 to 12. In Memoriam-Wilbur Meade, who was killed in an automobile accident at the close of the season.

Next "The old barnyard implements" began being tossed from one stake to another—in short, horseshoes started. The Thela Kaps came close to winning their first cup when they look the first half undefeated, but lost out in the play-off in which the Pi Kappas won the title. In the individual tournament Marvin Barnett took the cup. The greatest upset of the tournament was the defeat of the defending champion by a dark horse. P.S.—The dark horse lost in his next match. The champion leaves school this year and maybe next year things will be fairly easy for the other "uncrowned champion."

Amid a flurry of flying fists the Pikes took the basket ball title. After the half the officials did not bother to record the fouls against the players, because if they had who would want to see the officials play Chi Delta Epsilon turned the tables and defeated Thela Kappa Psi 14 to 10. Poor judgment-Ben Curry was placed on the second string allstar team. A record for the fraternities to shoot at—the Passaic, N. J., high school basket ball team in the early 1920s won 159 games in a row. The most thrilling play of the season came in the same game when James Shepherd, Pike center, in the last twenty seconds of play, took the ball from the center of the courl and sunk the winning goal. Smile Independents-Kansas City, Kan., defeated Bainbow A. C. by a score of 234 to 2 in 1923-24.

For some reason we play shuttleboard here at the college and for some reason the Pi Kappas took the cup and for some reason they deserved it. The Independents, led by Miles Fox Embrey, Jr., and his partner, Robert Wiant, scored an upset win over Theta Kaps—it seems as though every one upsets the Theta Kaps al some time or another. Orchids to those hard-tighting Chi Delts who made the Pikes fight for that cup.

SPORTS

In the ping pong games the Beta Mus came out on top with eight wins against no defeats. Flash—According to the new rules adopted by the Table Tennis Association the net has been lowered from six and three-fourths inches to six inches in order to help the driving game. Also all forms of finger-spin and knuckle-spin are barred. Remember that next year. Thank goodness, girls, there were no protests in ping pong.

Volley ball came with the wind. The Pikes won the title. Theta Kaps cinched the title for the Pikes by defeating the Beta Mus. Independents are the heavy favorites for next year with some twenty-six lettermen returning. Jacksonville's "brain trust" was at his best in this sport because "it was simple to bat the ball back and forth across the net."

As this goes to press diamond ball teams are in spring training. Last year the Beta Mus took the title with the Theta Kaps ending in second place. This year it is again a three-club race. May the best team win!

From the Crystal—June 22, Joe Louis crowned the new heavyweight champion of the world by a seventh-round knockout over James J. Braddock. Bob Feller, youthful Cleveland hurler, on his way to twenty victories. Mickey Cochrane and his Tigers on the way to another pennant. The "Gashouse Gang" on top of the National League. Did you know that the real name of Jack Sharkey, former heavyweight champion, is John Cucoshay? That the first "baseball" used in the U. S. A. was a cricket ball? Private to "W. H."-Did you know that Paul Mc-Williams, Nashville, Tenn., can put four golf balls in his mouth at the same time? Mel Ott began playing ball with the Giants when he was 16 and now at 27 he is a veteran.

MIXED CHORUS

LITTLE SYMPHONY

THE FLORIDA SOUTHERN COLLEGE LITTLE SYMPHONY

One of the most active organizations on the campus is the "Little Symphony." Composed of sixteen members and directed by Professor Howard J. Barnum, head of the Conservatory of Music, it has played a very important part in the cultural life of the college and city. Music by Handel, Bach, Haydn, Mozart, Beethoven and other masters has been studied and performed, a recent instance being an all Bee-

thoven program given with the Tuesday Music Club, who, with the college, are sponsoring the orchestra this year. Organized nine years ago by the director, it has had opportunity to accompany concertos by Weber, Mendelssohn, Beethoven, Grieg, Rubenstein and others. The "Little Symphony" has assisted by playing the orchestral parts to many oratorios and operettas, the most recent being Handel's "Messiah." Helen W. Barnum, teacher of piano, has been the pianist for the orchestra during the last nine years and has contributed largely to its many successes.

The members now active are: Verna Roberts, Andrew Setzer, Eleanor Powell, Kathryn Killian, Elaine Allen, Virginia Setzer, Mrs. D. B. Sweat, Ruth Scott, R. Jewett, Bill Boyd, Mildred Maginnis, Mary Ruth Glover, Margaret McAuley, Judith Hill, Helen W. Barnum, and H. J. Barnum, Director.
